Receive Reports on Line

Kettering- Beginning September 2, motor vehicle crash reports made with the Kettering Police Department will be available on line.

Kettering Police will utilize PoliceReports.US, the leader in online distribution of accident and incident reports. Crash reports will be available 24 hours a day, 7 days a week at no cost. Traditionally, citizens relied on the records department of the police department to receive reports by fax, mail or e-mail. The same service will still be available for those wishing to receive reports in the conventional manner.

With the addition of this new resource, citizens can access ketteringoh.policereports.us, approximately 48 hours after a crash report has been completed and obtain reports made after September 2. The reports can be also be accessed through the city website at www.ketteringoh.org.

The Kettering Police Department is pleased to provide this option to citizens and believe that it is another way of providing superior service to the community.
