Report Suspicious Activity

Kettering- The public is reminded to report any suspicious vehicle and or persons to the Kettering Police Department at any time.

If you suspect criminal activity, contact the police department and certainly share that information with your neighbors. Neighbors need to look out for one another and be aware of what may be out of place.

Vehicle owners and homeowners are also encouraged to remove valuables from their vehicles and to always lock doors and windows. Thieves look for that easy opportunity. Do not make yourself an easy target.

Two Burglaries and an Attempted Burglary were reported to the Kettering Police Department between October 26 and 27th. The suspect entered through an unlocked door and an unlocked window. Jewelry, a television, cell phones and money were stolen from the homes.

The Kettering Police Department is asking property owners to inspect their residence to ensure that windows and doors lock properly and securely. Any suspicious activity or persons should be reported to the department at 296-2555.
